

PS&T COMMITTEE AGENDA

May 12, 2016 - North Conference Room

21630 11th Avenue South – Des Moines 98198

5:30P – 6:50P

1. Approval of the minutes from the meeting of April 7, 2016.
2. Red Light Automated Enforcement Discussion (Discussion Item – 15 min)

Staff will discuss and seek additional direction from the Committee on potential issues that will need to be addressed before draft Ordinance 16-018 is brought to full Council.

- *Discussion about the “warning period”*
- *Discuss additional staff resources to handle increased work load in the Court and Police Departments as well as additional expenditures in the Legal Department*
- *Discuss options for staggering the camera installations in order to “ramp up” the effected work load for above named departments*
- *Discuss payment of fees and how the vendor contract with ATS relates the new red light cameras with the school zone systems already in place (revenue from one will cover a shortfall in revenue from the other)*
- *Discuss records retention schedule for the entire system*

3. Transportation Improvement Plan (Informational Item – 15 min)

Staff will be prepared to discuss the draft 2017-2036 Transportation Improvement Plan and seek confirmation from the Committee on proposed changes to the project list. Next step is to schedule a Public Hearing for the Council to approve the TIP by Resolution.

4. CIP Project Updates (Informational Item – 15 min)

Staff will provide a status report on current CIP projects under construction, and those that are in design.

5. Code Enforcement Update (Informational Item – 10 min)

Staff will provide a status update to the Committee on Code Enforcement functions since the Code Enforcement Officer position was eliminated in 2016.

6. Renaming of 19th Avenue S (Rainier Drive S) (Discussion Item – 15 min)

Staff will provide a discussion on the application received to rename 19th Ave. S. to Rainier Drive South, and discuss next steps.

AGENDA:

1. Approval of the minutes from the meetings of February 4, March 3 and March 24, 2016
2. Sound Transit Update
3. SR-509 Update
4. Draft Transportation Improvement Plan (TIP)
5. Public Disclosure & PD Administrative Update
6. ADA Transition Plan

MEETING:

1. Approval of the minutes from the meetings of February 4, March 3 and March 24, 2016: unanimously approved.
2. Sound Transit Update: Consultant Grant Fredricks briefed the Committee on the recent interagency workgroup meetings, preliminary engineering design comments, discussions of improvements to South 236th Lane, the FWLE scheduled of the next 6 months, and preview the ST3 plan that will be presented to Council on April 28. He also summarized the South 272nd Street Station coordination meeting he attended as it relation to Transit Oriented Development and station access improvements.
3. SR-509 Update: Transportation and Engineering Services Manager Brandon Carver updated the Committee on WSDOT's SR-509 practical design process and their steps moving forward in reviewing project scenarios and explained that Associate Engineer Andrew Merges had attended the second SR-509 Practical Design Workshop on March which focused on obtaining the broad consensus of the travel demand forecasting to be utilized as well as draft the performance targets in which multiple scenarios will be measured against.

4. Draft Transportation Improvement Plan (TIP): Transportation & Engineering Services Manager Brandon Carver once again went over the draft 2017-2036 TIP. He gave brief status updates on the projects that are currently under way and noted several projects to the Committee that were likely to be completed in 2016.

The Committee recommended moving up project numbers 18 – Marine View Drive & South 240th Street Intersection Project; number 19 – South 240th Street Improvements (Segment 2); and number 20 – South 240th Street Improvements (Segment 1); while moving number 12 – Barnes Creek Nature Trail farther down the list.

5. Public Disclosure and PD Administrative Update – PD Chief George Delgado provided a brief update to the Committee on the Detective Division which currently has 156 open cases; the Records Division which states all records have now been pulled from Iron Mountain, and so far in January and February of this year they have processed a total of 243 PDR's. The Community Service Officers continue to respond to citizen requests that used to be handled through Code Enforcement in addition to their normal Community Outreach responsibilities.
6. ADA Transition Plan: T&E Services Manager Brandon Carver briefed the Committee on what steps the City is taking to put an ADA Transition Plan in place. In 2014 a City street/sidewalk self-evaluation was substantially completed which has helped guide resources expenditure decisions in relation to the annual sidewalk repair programs. City staff has also been coordinating with consultants to determine an overall ADA Transition Plan Strategy that would be completed by 2017. Costs for a consultant to help with this project could range between \$25,000 to \$50,000 depending on specific needs.

Adjourned at 6:40 pm

Minutes respectfully submitted by:

Peggy Volin, PBPW Administrative Assistant II

12.50.070 Council redesignation.

(1) Notwithstanding DMMC 12.50.030 through 12.50.060, the City Council reserves the option of changing street names or changing numbered streets to named streets. Applications to the City Council for street renaming shall contain the signatures of the majority of persons having ownership in properties addressed on the street. The filing fee for a street name change application is established by administrative order of the City Manager or the City Manager's designee. The Building Official shall provide written notification to affected property owners at least 20 days before final City Council action.

(2) In its deliberations, the City Council shall consider technical information from the Building Official, location and development characteristics relative to the street, and the impact of the change on existing businesses and residences, as well as on emergency vehicle responsiveness. Only entire street lengths or distinct major portions of streets are eligible for renaming by the City Council. For the purposes of this chapter, "distinct major portion" means a separate portion of a street identifiable by either a directional shift of at least 45 degrees or an interrupted interval of at least one-quarter mile.

(3) A street name change is accomplished by the adoption of an ordinance directing the change. [Ord. 1578 § 149, 2013.]
